Reading (9 marks)

Read the following paragraph to answer the following questions:

There are various jobs for volunteer to do .They can do extra work in the library or some projects for the local community. They can do projects, which help the local community, like a new playground, which they helped to build. They set up the new play equipment, and the children love it. We can see volunteers at the local library. There are various jobs, which they can do there. For example, they can take books to the homes of disabled people who can't get to the library or they can help children with their homework or read stories to young children. Besides, there's always a big natural disaster somewhere in the world. If it isn't an earthquake, it's a flood or a hurricane. They can help disaster victims. I belong to an international organization, which sends help to people who are in danger. It collects money for things that disaster victims badly need – things like food and medicine. Then they put everything into boxes ready to send. At Eid, we also sent toys for children in Africa, and that was nice.

A) Answer the questions:
