Reading Comprehension (25 Marks)

1- Read the text then do the tasks below: (15 points)

Around this time of year, lots of people make resolutions to change their lives. Of course, it's natural to associate a new year with new biginnings, but doing something new brings benefits to your life whenever you choose to do it.In fact, New Year is possibly one of the worst times of the year to make life-changing decisions if you want to stick to **them**.In Europe and North America, it coincides with the middle of winter. With its long hours of darkness and cold wet weather, this is definitely not a season to be optimistic. This may well be why, as many studies have shown, most people who make New year's resolutions usually break them after five weeks. So, whatever time of year it is, you might decide to learn to speak Chinese, take up long- distance running, become a poet, or whatever. How do you make sure you don't start with great enthusiasm, but then give up soon afterwards? We're sure following the steps in the article will make success a lot more likely.

1 Don't spend all your time worrying about how sucessful
you're going to be. Remmeber to enjoy the new experience for what it is. That why there is a far
better chance that you'll keep going. If you arelearning something, you'll make much better
progress if you enjoy the learning rather than thinking about what score you might get at the end.
2 Including other people can have various
benefits. Firstly, the more people you tell about what you're doing ,the less likely you're to give up
,simply because you don't want to have to admit it to them. Secondly, if you do something with
other people, it will be more fun and you won't want to let them down.
3 Yes, you did read that correctly. Of course, the
usual advice is to stay positive .But there will almost certainly be a time when everything seems
to be going wrong and you start thinking it's all too hard. Studies show that it is better to think
about what could go wrong so that you can have a plan in place when it happens.
