While he **was driving** to work, he called me.

While he **was talking**, his baby slept.

I fell asleep while *I was watching television.*

It started raining while I was waiting *for the bus.*

While he was working, he often listened to music.

While we were having **the picnic, it started to rain.**

While John was sleeping **last night, someone stole his car.**

While I was writing **the email, the computer suddenly went off.**

While Ellen was reading**, Tim**arrived **.**

I broke the window **while he** was making **dinner.**

While *I was walking home, I saw two masked men run out of the bank.*

While*I was playing a computer game, the doorbell rang.*
