

**Read the following passage, then answer the questions below:**

Omar and Rania visited their grandfather's olive farm. Some olive trees are more than 150 years old. Palestinians were growing olives more than 5,000 years ago. There are millions of olive trees in Palestine. Lots of them are in the north of Palestine. The farmers harvest the olives. Omar's grandfather collects them in a big place. They press the olives to get olive oil. Olive oil is very useful and healthy. We use olive oil in some medicines and in many dishes like fatoush. Nablus is famous for making soap from olive oil.
