Listen to the text then answer the questions:

Football is the world's favourite sport, with more than 250 million players in more than 200 countries. You only need a ball, people and a place to play.

You don't need a pitch; it can be the street, a playground, a park or a beach.

You can play when the weather is good, in the rain or when it's freezing

Listen to the dialogue then answer the questions:

Karama: Oh no! I'm afraid! I think the dog's angry.

Alice: I don't think so. I think it likes you.

Karama: Really? Do you understand dogs??

Alice: Yes, usually. A lot of animals communicate with people. But we don't always understand what they're saying.

Alice: When a dog barks, maybe it's angry, but maybe it's warning you that it hears something, or it wants food. A happy dog moves its tail and its ears are up.

Karama: I see! But I don't like dogs very much...

Alice: I prefer cats. Listen! It likes me
