3- Reading Comprehension(8 marks)

Read the following passage then answer the questions below:

Young nurse Helen West, 19, had a lucky scape last night when her tenth-floor apartment caught fire and two brave fire officers saved her life. At 11 pm, she suddenly smelt fire from the direction of the kitchen. When she opened the door, everything was on fire. She closed the door quickly, but thick, black smoke started coming under it. The outside door was in the kitchen, so Helen desperately needed another way out. There was only the bedroom window and outside that there was just a narrow ledge, 15 centimeters wide-and 30 meters up. "I was really scared, but there was nowhere else to go" Helen said later. Smoke was coming into the bedroom fast. She climbed out and lowered her feet to the ledge. "And then I shouted for help!" Luckily, some neighbours heard her and immediately called the fire service. A fire engine arrived ten minutes later and then, too, the police and ambulance.
