Read the text then answer the following questions:

This is a chance to take part in research into whales while sailing around the north-west coast of Italy. You will spend ten days living and sleeping on the boat as part of the crew, watching for whales and keeping records of their movements and habits to get a clear picture of the impact of human activities. You don't need previous sailing experience, though, as you will receive full basic training. The price is between £1,100 and £1,800, including all meals and travel except the air fare to Genoa, where the boat sails from.

Answer the following questions

- 1-Where do travellers sail from if they want to make a research into whales ? (Answer)
