**Doctor** What's wrong, Sami? You don't look very well.

**Sami** You're right. I've been feeling quite sick for several weeks. And I've been getting tired quickly.

**Doctor** Have you been sleeping badly for a long time, too?

**Sami** Yes, I have. And I haven't been playing well for my football team recently.

**Doctor** Have you been eating normally?

**Sami** Well, no. I've been waking up late, and missing breakfast.

**Doctor** So you've been going to school tired and hungry. And what have you been eating for lunch?

**Sami** Just fries.

**Doctor** Sami, fries are junk food! You need to start eating real food!

**Doctor** And that includes fruit and vegetables.

**Sami** Really?

**Doctor** Yes. And you'd better read this book – *Get fit and healthy*. Do what it says, and then come back next month.

**Sami** Thanks. I'll do that. I mustn't lose my place in the team!

A month later ...

**Doctor** How have you been getting on since our talk last month?

**Sami** Really well. I read the book, and I've been doing what it says since then. I've been sleeping much better.

**Doctor** I can see that. You don't look tired today. Have you been eating better, too?

**Sami** Yes, and I feel much healthier now. Thanks for all your help.
