Reading

A) Read the following passage, then answer the questions below:

Last summer holiday, Omar and Ben's family had some adventures. Omar's family stayed at their aunt's sheep farm from 15th-21st of July. Two of their car wheels burst. The first on the day of travelling to the farm and the second on the day they left the farm. On the farm, there was a wolf. It was chasing the sheep when they ran away.

Omar had an adventure on the 14th of August. He went to Jericho and won a bike race. He was looking at his parents when he fell off his bike.

Amy also had an adventure on the 13th of August in England. They were going down the river when the boat turned over. Amy's shoes floated in the water.

Amy's family went horse-riding on the 30th of August. They were riding horses in England when they lost their way. The clever horses took them back to the farm.
