The traditional craft show has just finished. It was amazing!

All of the pupils in 7A worked hard over the last few weeks and we all made something. We also had loads of fun doing it! We got everything ready last night. We made a sign and tidied up.

Many parents came to the school today to see the crafts. We are sure they all went home very pleased with what they saw.

We all think that Amani made the best ceramics. She made some amazing bowls from clay. They had lovely shapes and she painted loads of little flowers on the bowls. She used beautiful colours. They were fascinating to look at and all the parents wanted to buy one.

It's freezing here in the US now so it is excellent that I have something interesting to do. I have already made some visits to other cities and places in the US. Last week I went to a strange but fascinating city (I can't remember its name!). I saw some old streets and I went to the Chinese part of the city. See my photos.

When the weather is warm again, I'm planning to go on a hike to see some famous trees. They're enormous! I'll send a photo I've found so you can see how big they are.

Be good both of you. You should help your mother in the home so she has time to have a rest.
