Yosemite is an amazing place. **It** has mountains, valleys, lakes, rivers and the highest waterfalls in America. The wildlife is amazing, too – most of all the huge trees. **Some** are 90 metres tall.

When people started cutting down the trees and damaging this beautiful place, the United States decided to make Yosemite a National Park back in 1890. This has protected Yosemite since then, but people have become a problem again. For over a century, more and more visitors have arrived each year. **They** love the Park, but millions of cars and heavy feet badly damage **it**, too.

So Yosemite still needs help, and thousands of young volunteers join together to give **it** every summer.

Young Friends of Yosemite

Hi! I'm Tony Ross. I'm working for Young Friends of Yosemite, and my group have been here for three weeks now. We're staying at a campsite in the mountains, and we have several jobs. Visitors come and go every day, and we clean and tidy up before the next people arrive. We also work in the woods .and keep the paths safe

Since our group started working together, we've become great friends. We work hard together, and we also have fun together. Last Saturday, we went white water rafting, and I've never enjoyed myself so much in !all my life

The healthy living quiz

by Julie Good

Do you live a healthy life? You'd better do our quiz and find out!

1 You've been putting on weight, and you want to lose some. Should you:

- a start missing complete meals? ☐
- b stop eating things like bread and rice? ☐
- c do more exercise? ☒

1a This is bad for you, so you'd better find another way.

1b Your body can use fat instead of these things, and so you lose weight. But this can be unhealthy and dangerous, so you'd better not do this.

1c This is the best way. What about walking for an hour every day? You could start a new sport, too.

2 You've been studying late every night for a big test, and you've been drinking coffee to stay awake. But when you go to bed, you can't sleep! Should you:

- a do lots of exercise before bed to make yourself tired? ☐
- b stop trying to sleep and go back to your books? ☐
- c stop drinking coffee late, finish work earlier and do something quiet before bed? ☒

2a Exercise every day can help you sleep – but not exercise just before bed.

2b Bad idea! When you're tired, you'd better not go on. You can't learn anything.

2c Coffee keeps you awake, so don't drink coffee late. And yes, do something quiet. This will help you to sleep.

3 Listen and read aloud.

.He should do more exercise

3

I'm going to study very late all week, and I'm going to go to bed at 12:00 every night. Then I'm going to wake up at 3:00 every morning and start studying again.

People and games

- 1 People have been playing team games since ancient times. But why? Well, people have always loved to be part of a great team, to compete their hardest with others, and to win, too.

We still love our games, but games have changed. They have changed because now there are clear rules. These make everything about a game clear to everyone.

- 5 Take football, for example. In the past, hundreds of people sometimes played for days. There were no 'rights' and 'wrongs' – and matches were not very safe, either: players often kicked each other more than the ball! Then, in 1863, 10 players from different teams met, decided the rules together, and invented the modern game.

ancient X modern

safe X dangerous

best X worst

find X lose

easiest X hardest

similar X different

alone X together

less X more

like = such as

favourite = best

various = different

old = ancient

important = essential

smallest = oldest

loved = loved

include = contain

The rules have helped to make football the world's favourite sport. People everywhere understand it and play it. So at any time someone somewhere in the world is scoring a goal.

- 15 That someone is often a young player in a school game. But why play football at school? Well, many people think that sport helps to make us better people, and so games are an important part of school life in many countries. They include football and other games like volleyball and basketball, and teams from different schools compete hard to win. When they do, everyone down to the smallest pupil is proud and excited!

3 Listen and read aloud. 8

Did you know ...?

Help, everyone! What should I do? مساعدة الجميع! ماذا علي أن أفعل؟

Dear All

My best friend and I tell each other all our secrets, and we never tell anyone else. That way, we can trust each other completely. ^{بعضنا البعض} ^{اسرار} ^{طريقة}

The problem is this: he's planning to do something dangerous, and it may hurt other people. So should I tell his parents? If I do that, I'll lose my best friend. I really don't want that to happen. ^{مشكلة} ^{يخطط} ^{خطير} ^{يؤدي} ^{والديه} ^{يخسر} ^{يحدث}

Worried ^{القلق المبهوم}

1 Dear Worried

I've been in the same situation recently, and it's hard. But you've already said it: if you don't do something, bad things really may happen. You'll feel terrible if they do, so you really should tell his parents. In fact, you must! ^{وضع} ^{مؤخرا}

3 Dear Worried

Tell him you're worried. Say you won't be friends if he goes on. But if that doesn't work, don't tell his parents or anyone else. You can never break his trust! ^{قلق} ^{يستمر} ^{يكسر} ^{الثقة}

2 Dear Worried

If you talk, perhaps he'll understand the danger better. If that happens, I'm sure he'll stop. ^{خطر} ^{يفهم}

4 Dear Worried

Clearly, you should tell an adult immediately. (Instead of his parents, what about a teacher you both trust?) If he's a real friend, he'll understand. At first, he may be angry, but in the end, perhaps you'll become even better friends! ^{يفضب}

2 Work in pairs. Ask and answer questions about feelings and actions. Choose from these 'feeling' adjectives.

1 Talk about the pictures.

- 1 What has Tina just said in the first picture, and how do the girls look?
- 2 What is the man in the second picture counting? Does he look happy, too?

2 Listen to the poem and answer the questions. ²¹

What is the poem saying? Is it saying that it is better to be like the friends, Nadia and Tina?
Or is it saying that it is better to be like the old man with his riches?

It's saying that friendship is more valuable than money. It's better to be friends, like Tina and Nadia, than a rich man with lots of money but no friends.

The Gift of Friendship

- 1 Friendship is a priceless gift
That cannot be bought or sold.
But its value is far greater,
than a mountain made of gold.
- 5 For gold is cold and lifeless.
It can neither see nor hear,
and in the time of trouble
It is powerless to cheer.
It has no ears to listen nor heart to understand,
10 it cannot bring you comfort, or reach out a helping hand.

So when you ask God for a gift,
be thankful if he sends
not diamonds, pearls or riches,
but the love of real TRUE FRIENDS.

15 *Helen Steiner Rice*

3 Listen again to understand some new words. Then decide the meanings of these words and phrases.

- | | | |
|-----------------------------------|-------------------------|---|
| Line 5: lifeless | ☐ a | having no life |

Answers: sold / gold a ... a hear / cheer b ... b understand / hand c ... c sends / friend d ... d

5 Listen again and check your work in activity 4. Then read out the poem.

1 Listen and write down what you hear.

- 1 At first , Tina was really worried and scared when her younger brother fell and hurt himself badly .
- 2 Tina is sorry and embarrassed because she was horrible to Nadia and shouted at her when Nadia was just trying to help and support her .
- 3 Sam and his best friend feel that they can trust each other completely because they never talk about their secrets to other people.

2 Read the information and do the tasks.

What is a topic sentence?

- There are usually several sentences in a paragraph. They go with each other because they are about the same idea.
- There is usually a sentence which expresses the most important idea of the paragraph. This is the topic sentence.
- The topic sentence is usually – but not always – the first sentence in the paragraph.
- Other sentences in the paragraph then develop the idea in the topic sentence.

Now read the sentences of a paragraph.
Find the topic sentence, and mark it 1.

Now number the other sentences in order
2 and 3.

Now check your work. Look at the first
letter in period 5 paragraph 1.

Sentence number	Sentences
2	We never talk about them to other people.
1	My best friend and I tell each other all our secrets.
3	That way, we feel we can trust each other completely.

3 Work with a partner. Choose the correct sentence parts to write the topic sentences for two paragraphs.

traditional music (develop) / every culture
music (be) at / heart / life
Arab music (be) much more / the singer and / song

Music is at the heart of life. It makes us want to dance, and it helps us show our love. It changes feelings, too. It can make us sad and it can make us happy ...

Arab music is much more than the singer and the song. There are also the musical instruments. In ancient times, you could already see instruments quite like modern ones ...

4 Complete a paragraph.

Choose the letter to 'Worried' that you agree with most. Copy and complete the topic sentence. Then copy and continue two more sentences that develop the idea.

It seems to me that the best answer to 'Worried' is the letter from ...

I agree with (her/him) that ...

I also agree that ...

It seems to me that the best answer to 'Worried' is the letter from Alan Z. I agree with him that 'Worried' must tell an adult, perhaps a teacher, about the problem. I also agree that, if 'Worried's friend is a real friend, he'll understand, and they'll be better friends in the end.

1 Work in pairs. Do these tasks to write another letter to *Young Times*.

Unit task: Finding answers to problems.

- 1 Read the sentences of Paragraph 1. Then read the one marked 1 again. This is the topic sentence.
- 2 Read again and number the other sentences in order. Underline words and expressions that help you.
- 3 Do the same with Paragraph 2.
- 4 Write out the letter. Start with *Dear All*. Then write the two paragraphs. Choose a word like *Worried*, *Upset*, *Embarrassed* or *Frightened* to finish the letter.

Paragraph 1

- 2 I try to be friends with everyone, but they don't often want to be friends with me.
- 5 I always have to wear old things, and I get really embarrassed.
- 3 I think it's because they've got lots of money, and I haven't.
- 1 My problem is this: I can't make new friends at my new school.
- 4 So, for example, they often buy expensive new clothes, and I can't.

Paragraph 2

- 2 For example, they invite me to sports and other things after school.
- 4 So I just go home because I don't want to be even more embarrassed.
- 1 One or two people try to be nice to me but it doesn't really work.
- 3 That's good, but I always feel the others don't want me there.

2 Work in pairs. Share ideas for different answers you can give.

Share ideas for different words and expressions you can use. Use some *if* ideas. Make notes.

3 Work alone. Use your notes to write the answer you like best.

4 Work in groups. Read out your answers and talk about them.

5 Choose the best answer from your group and read it out to the class.

The letter writer should read it out. The others can then explain why you all think it is the best.

1 Describe the picture on page 77.

Nadia Guess what! I left my coat in the cinema.

Nadia Yes, we ran back and looked everywhere, but we couldn't find it.

Tina That's terrible!

Nadia Yes, I was very upset, but everything was fine in the end. You see, the cinema people had it. They saw it was mine and gave it back.

Tina We'll be home on Wednesday.

Nadia Great! I can't wait.

Tina I can't, either. And listen, my birthday party is on Saturday. Can you come?

Nadia I'd better ask, but I think it'll be OK.

Tina Good, and if it's sunny, we could go to the park first.
